1 EXECUTIVE SUMMARY

Granite Digital Consulting Ltd. (*referred to as “Granite” hereinafter*) is pleased to share this document in relation to Spike Island www.spikeislandcork.ie.

1.1 YOUR REQUIREMENTS

Granite will provide Spike Island with a new website in replace of www.spikeislandcork.ie

There will be a new design and development involved in the creation of the website.

It is understood by our team that the new Spike Island website will:

1. Provide relevant tour information.
2. Allow users to book tours by taking them to an external booking engine.

HOME PAGE:

- Events booking feature on the homepage slider must link to a third party booking system.
 - Links are to be provided by the client.
 - Links are to be linked to the “BOOK NOW” buttons on the slider.
 - The links CANNOT be hard coded as the client requires the ability to change the link from the CMS.

PAGES NEEDING CREATION:

- About Us - *This page is a standard content inner page.*
